ASP-25 SERIES QUARTER FENDERS

FREE TOP FLAPS WITH QUARTER FENDER SET!

AeroSlipper™

AeroSlipper™ Quarter Fenders are designed with a short support tube for superior aerodynamic performance. The reinforced support tube minimizes drag and also reduces the amount of dirt and debris that collects against the crossbar.

FREE TOP FLAPS WITH QUARTER FENDER SET!

- Designed with a short support tube for superior aerodynamic performance
- Lighter weight than classic metal quarter fenders
- One piece injection molded design, includes v-rib channels on the underside to move water spray away from the tire and out of the path of other drivers
- Textured fender surface reduces scratches and dings
- Unaffected by heat and cold with a range of -40°F to 130°F
- 25" x 24" fender size
- Pre-assembled for easy installation
- Each set includes one right hand fender assembly, one left hand fender assembly, two top flaps and hardware

\$59.99

 set
