- Ullman DM App is available on the Apple App Store (iOS) or the Google Play Store (Android)

\$99.99 ea

ULL-DM-1

ULLMAN DM APP

The app connects the Digital Inspection Mirror to your smart phone using Wi-Fi and allows you to extend your reach into view areas that are not easily visible or in direct line of sight. With the app, the camera can light an area and stream live video on your smart phone screen. Images and video can be recorded for further close-up analysis or used as a tool to show areas of needed repair to customers.

Control light intensity on the camera body with the App on your device
