INSTANT GUM CUTTER 13 OZ

BERKEBILE 2+2® Instant Gum Cutter keeps well-maintained engines working better and lasting longer. It reduces harmful emissions and can increase fuel economy which puts more \$ in your pocket and less in fuel and costly repairs. Don't waste time re-applying or waiting for other weaker cleaning products to break down grease and dirt. Instead reach for Instant Gum Cutter to remove varnish, gum, carbon deposits, and sludge from even the dirtiest of parts.

- Cleans automatic chokes, carburetors, choke linkages, and PCV valves & hoses
- Removes varnish, gum, & other deposits instantly
- Oxygen sensor safe
- Extension tube supplied for pinpoint application

SPRAY RED GREASE 11.5 OZ

BERKEBILE 2+2® Red Grease is an aluminum complex EP grease, which is specifically designed to apply as a thin film, then set up as a thick grease once the solvent quickly evaporates. Recommended for use on machinery, gears, cables, bearings, chains, hinges, and more.

- A Premium Grade Aluminum Complex EP Red Grease in an AEROSOL CAN
- Dispenses as a thin liquid, solvent evaporates, setting up Berkebile 2+2® Red Grease in hard-to-reach areas
- Provides deep, penetrating action, with long lasting protection
- Will not break down, harden, or separate, even at extreme pressures or temperatures
- Provides excellent rust protection
- Resists heat up to 500°F
