DE-ICER

WINDSHIELD WASHER FLUID

Nothing is more important in winter months than maximum freeze protection to prevent damage to wash lines and safeguard against windshield re-freeze. Unlike generic blue washes, Prime Guard Power Blast provides freeze protection to -20°F. Removes frost, road grime & dirt. Leaves no streak or residue behind.

PRIME GUARD RV ANTIFREEZE

PRIME GUARD -50°F RV and Marine Antifreeze is a premium winterizing formulation safe for use in all types of potable water and plumbing systems. This ethyl alcohol formula is safe on copper, brass and all plastics (except acetate). This product is formulated to provide complete protection to minus 50°F. Some slush may appear at approximately 0°F, but this is not harmful to your water system. As temperature rises, and fluid warms, slush will disappear.
